8th Annual Easthampton WinterFest

Easthampton, MA – The 8th Annual Easthampton WinterFest is running now through Saturday, February 13, 2021. Due to the ongoing pandemic, this year's event many activities opened early and held virtually, but there are still plenty of events happening.

WinterFest features safe, fun activities for the whole family. "We put our creative hats on and created activities that are available online, in addition to a few outdoor activities," says Beth Tiffany, a coordinator of the event. "Our thanks to the Emily Williston Library, Valley Paddler, Mt. Tom's Ice Cream, Arcadia Sanctuary, who have sponsored and organized activities, Easthampton Media for collaborating and sharing video resources, the many businesses who have contributed sponsorships and gift certificates, and to Easthampton City Arts for judging the photo contest."

"The commitment of the WinterFest Committee to our beloved Nashawannuck Pond shows the very best of Easthampton's city spirit. I am grateful to all the sponsors supporting the Committee's 2021 vision," says Mayor Nicole LaChapelle.

Further details will be added to the calendar in the coming weeks. Until then, enter a contest -- Snowflake Making, Pond Photography, Pond Trivia, Ice Cream Naming all offer great prizes for the winners. Watch movies and learn more about Easthampton's history.
