Order of the Mayor: Flags & Banners

The City of Easthampton's flagpoles and other city-owned properties are not intended to serve as a forum for free expression by the public.

The City may display the following flags as an expression of the City's official sentiments with the approval of the Mayor:

1. Flags of Governments Recognized by the United States.
2. Flags of the governments recognized by the United States.
3. Flags or banners in conjunction with official actions, ceremonial items, or city proclamations.

In conjunction with the issuance of this Executive Order, I ask that the City Council consider creating an ordinance, following the public process, defining the use of public space and flag poles with more specificity in the coming fiscal year.

Duly signed,

Mayor Nicole LaChapelle
