

Easthampton CRC Denounces Seditious, Violence and Racism

We, the Community Relations Committee, find the behaviors of the seditious who stormed the United States Capitol in Washington, DC on January 6, 2021, to be rife with violence, hate, intimidation and racism. The CRC finds these behaviors to be abhorrent and denounces them as being threatening, damaging and detrimental to our democracy, our society and our Easthampton community.

In understanding that these actions were not born of nor confined to a specific date or location, we as a committee seek to nurture healing and healthy relationships within the community of Easthampton by promoting mutual understanding and respect through engagement of balanced dialogue and actions of nonviolence.
